Korean Made Easy Workbook #1 - Billy Go 2018-12-11 This expanded workbook is meant to go hand-in-hand with "Korean Made Easy: A beginner’s guide to learning the Korean language." However, this workbook is more comprehensive, containing a variety of context sensitive exercises and sensitive to the level of those who have already taken the Korean Made Easy course. As such, this workbook is an additional resource for practicing in addition to using "Korean Made Easy." This workbook’s exercises have been designed to practice more advanced sound (round change rules) are included as practice in this workbook to help you to more quickly and efficiently master what you’re learning. Audio files for the book are also available for free download from goblindkorean.com.

Korean Grammar in Use - Chino-Imong An 2010

Talk to Me in Korean, Level 1

Integrated Korean - Young-mee Cho 2001-01-01 This intermediate level text has been developed in accordance with current educational standards and provides a well-rounded approach to the language. The writer is a non-native speaker who started learning the language from ZERO, just like you and spent years in Korea trying to reach a better level of proficiency in Korean. After a few weeks, you will start to recognize words, sentences, and have simple (but miraculous) conversations with other Korean speakers!

My Weekly Korean Vocabulary Book 2 - Young A. Cho 2016-12-12 This book is an introduction to contemporary Korean, with special emphasis on spoken usage for everyday situations. It introduces learners to the Korean alphabet and everyday situations in Korean culture to help them acquire 'survival' Korean.

Korean Made Easy for Beginners (2nd Edition) - Billy Go 2020-04-10 In just 12 weeks you can develop a more robust vocabulary and speak Korean more fluently with My Weekly Korean Vocabulary!

My Daily Routine In Korean - Talk To Me In Korean 2020-04-10 My Daily Routine In Korean is a picture dictionary designed to help you learn everyday Korean words and expressions through convenient visual aids.

Korea's Place in the Sun: A Modern History (Updated Edition) - Bruce Cumings 2005-09-17 "Passionate, cantankerous, and fascinating. Rather like Korea itself."--Nicholas D. Kristof, New York Times Book Review Korea has endured a "fractured, shattered twentieth century," and this updated edition brings Bruce Cumings' leading history of the modern era to the present. The small country, overshadowed in the imperial era, crammed against powerful great powers during the Cold War, and divided and decried by the Korean War, has recently seen the first real signs of reunification. But positive movements are farmed by treasuring steps backward. In the late 1980s, Koreans survived it all and the country kept on growing, the result is restructuring of its political economy. Suffering through floods, droughts, and a famine that cost the lives of millions of Koreans in North Korea, Korea is on the way to "living an eco" by the George W. Bush administration and has renewed its nuclear threats. On both sides Korea seems poised to continue its fractured existence on into the next century, with potential ramifications for the rest of the world.

Korean Language for Beginners - Androza De Benedittis 2017-06-07 This book is a complete guide for people who want to learn the Korean language, starting from the very beginning, and learn the alphabet and the correct sounds of vowels, consonants, and diphthongs. My First Book of Korean Words 2012-03-10 My First Book of Korean Words is a beautifully illustrated book that introduces young children to Korean language and culture through everyday words. The words profiled in this book are all commonly used in the Korean language and are both informative and fun for English-speaking children to learn. The goals of My First Book of Korean Words are multiple: to familiarize children with the sounds and structures of Korean, to make them feel at home in the language, to illustrate the ways in which languages differ in their treatment of everyday sounds and to show how, through cultural importation, a single word can be shared between languages. Both teachers and parents will welcome the book. This is a valuable and compact resource for teachers and parents alike. The book is organized in a familiar ABC structure. Each word is presented in a simple, easy-to-read format and also in its Romanized form. This makes it easy for teachers and parents to use the book with children who are learning Korean as a second language. The book includes a full-color glossary at the end of the book.
